***Note:** Percentages allocated to some athletes may not reflect IPC International percentages as they have been allocated in Canada by national classifiers.

*Athletes classified nationally and competing internationally will be re-classified during their first World Cup by IPC. National percentages may still be applied for home competitions despite differing from international allocated categories and these percentages will be based on national classifiers discretion.

*Athletes may have their class changed in the future as the categories are updated by IPC.

*Sit ski classes cannot be compared to Standing classes.

*Canadian Blind Sports Association are responsible for Visually Impaired classification. Please contact Kate Boyd to start the classification process.

To request a medical or technical classifier please contact;
