**From: Cross Country Canada Events Committee**

**To: Western Divisions Chairs, Offices**

The CCC Events Committee is requesting event bids to host the 2019 Western Canadian Championships.

**Event Description:**

This is a FIS / CCC sanctioned Tier 1 event.

The current NorAm Technical Package located at <http://www.cccski.com/Events/Technical-Packages.aspx> should be used as reference. Please note that this document will be updated prior to the 2019 Competition Season to reflect best practices from the 2018 season.

**Competition Dates:**

tbc

**Competition Formats: (race techniques to be confirmed)**

The event will consist of 3 competition days and will include:

- Interval start– 10/15 km Open Category;
- Sprint– Combined Qualification and Heats
- Division Relay

Race categories will include Midget, Juvenile, Jr B/G, Jr M/W and Senior. In some instances, categories may be combined. Aggregate points will be accumulated in each category in support of the SWIX/Fischer Division Cup.

Clubs interested in hosting the 2019 Western Canadian Championships should send a Letter indicating your interest in hosting the event. Letters should indicate the club executive is familiar with the NorAm Technical package and agree to follow the guidelines associated with the NorAm program. Please send your letters of interest to Dave Dyer, CCC Events Director at [ddyer@cccski.com](mailto:ddyer@cccski.com) by March 23, 2018.

As per the guidelines outlined by the CCC Events Committee for Tier 1 events, hosting clubs must have Homologated Trails for the Open Category. The host community should be centrally located and easily accessible to the majority of skiers in the Western provinces. Thank you for your interest. For further information please contact Dave Dyer, CCC Events Director at [ddyer@cccski.com](mailto:ddyer@cccski.com).
