

## VOLUNTEER WALL OF FAME

George LeFeuvre, NB

**1. What type of organizations do you volunteer for?**

I volunteer mainly for Cross Country skiing events. Usually I work on the crew preparing the courses (grooming and track setting). From starting with only snowshoes at first, now snow cats are the norm. Started in Labrador City mid-1970 and 37 years later I'm still involved. I also volunteer delivering Meals on Wheels.

**2. What is the most rewarding part about volunteering?**

The most rewarding part about volunteering for me is meeting new people, making new friends, and travelling to many countries volunteering at many Olympics and Nordic World Ski Championships.

**3. What do you have to say about all the volunteers who make events possible?**

Couldn't do it without them. It's really amazing to see so many of the same people, returning year after year to work with such dedication.

**4. Finish this sentence: I volunteer because...**

I volunteer because I feel I can be of help, and I want to help. Others have volunteered before me. Now it's my pleasure to give something back.
