

VOLUNTEER WALL OF FAME

Margot Murdoch, BC

1. What type of organizations do you volunteer for?

Mostly anything my kids are involved in! Whistler Nordics, Callaghan Valley Cross Country, WORCA and school sports teams, District Parent Advisory Committees, Religious Education, etc...

2. What is the most rewarding part about volunteering?

I volunteer because I feel it's important to give back to a community that has so much to offer. Also, I've met some pretty awesome folks on the job. I guess mostly, volunteering is rewarding because I get to see my kids go to levels they might not be able to achieve without a great crew of vollies...

3. What do you have to say about all the volunteers who make events possible?

Not much would happen without the volunteers in our town... So many people say "just charge more..." That's not realistic at all. I've even thought sometimes that the volunteers put more into their sport/organization than some of the paid staff... Volunteers just have so much heart!!! I am amazed at what some people will do on a volunteer basis - they are the ones that keep me going!

4. Finish this sentence: I volunteer because...

I really love to be around my kids.... and see them motivated to be all that they can be. Not everyone is that fortunate – I'm very lucky to be able to do that!
