<b>Program Overview</b>	<p>The McGill Nordic Ski Team is a student-run competitive club that represents McGill at local and provincial races. Our mission is to get as many skiers on snow as we can, push ourselves at every race, and have a great time all season.</p> <p>The Nordic ski team is home to skiers with a wide range of experience, from those just learning to ski to those who have competed at the national level. As a result, we place a high level of emphasis on experienced skiers teaching newer members how to ski. Our preseason starts in mid-September, with conditioning and dry-land training until the first snowfall.</p> <p>Our racing season runs from January to the end of March. We do most of our training on the Mount Royal trails, with a few weekend trips up to the Laurentians to gain access to more extensive trails.</p> <p><a href="http://www.mcgillathletics.ca/sports/2012/11/7/GEN_1107120752.aspx">http://www.mcgillathletics.ca/sports/2012/11/7/GEN_1107120752.aspx</a></p>
