

# VOLUNTEER WALL OF FAME

Alan White, ON

**1. What type of organizations do you volunteer for?**

Mono and Highlands Trailblazers ski clubs, Cross Country Ontario (Tech Director), Cross Country Canada (Events Committee - Officials Training), Certified TD, regular course conductor. Life member of Optimist Club of Orangeville.

**2. What is the most rewarding part about volunteering?**

I have friends all across Canada from skiing and am able to develop my favourite sport. I know many of the very best people in my local community through the ski clubs and Optimism.

**3. What do you have to say about all the volunteers who make events possible?**

We can't do it without you and seeing people young and old enjoy our activities makes it very worthwhile.

**4. Finish this sentence: I volunteer because...**

I am glad to use my skill and experience to enhance the lives of others.
