

University Name	U of A Nordic Academy	Location	Edmonton, AB
Coach Name	Michael Kennedy	Contact Information	Kennedy@ualberta.ca
Universities	U of A	Program Level	Varsity competitive program with a volunteer coach and contract strength coach
Program Overview	<p>The U of A Nordic Team has access to state of the art training and testing facilities right on campus. These include exercise phys. labs for testing, a contract coach for strength workouts, and centers for cardiovascular and strength condition. The team is a user pay system, which team fees go towards strength coaching, coach support on trips, race service, and sport science support. Athletes compete in the Alberta University Series (which are select AB Cups and Loppets), as well as Westerns and Nationals. Team members have ski and roller ski trails within 20 mins of campus and various trails to train on weekends in the Edmonton area. Athletes are expected to take 3 courses a semester to be deemed full time.</p>
